Sir/Madam,

We take this opportunity to introduce to you: University Institute of Engineering and Technology, Hoshiarpur - a Regional Campus of Prestigious; Five Star accredited Panjab University, Chandigarh. UIET, Hoshiarpur offers B.E. (Bachelor of Engineering) degrees in Electronics & Communication Engineering, Computer Science & Engineering, Mechanical Engineering and Information Technology.

We boast an extremely good infrastructure and highly qualified faculty. Since practical training is equal in importance to theoretical foundations, the course curriculum is so designed that the students get exposure to practical aspects of branch of engineering.

As a part of the curriculum, students must undergo 4 – 6 weeks vocational training in an organization. This training is once after IVth Semester and once after VIth Semester. We recommend our student Roll No. of B.E in to undergo vocational training in your esteemed organization for a period of 4 – 6 weeks, ending before the commencement of next respective semester i.e. Vth and VIIth (as per Panjab University Academic Calender) as the case may be **.

Our student is sincere and hard working and we are sure that the student would put his/her best efforts during the training period.

Looking forward for a confirmation of the training from your side.

Thanking you in anticipation,

**Yours Sincerely,
Training Officer**

** Next academic semester starts from July 2016.
