

Dear sir,

You are requested to forward the following email draft regarding the matter in subject line to all the faculty members of university.

Dear Sir/Madam,

Greetings of the day!

Technology Enabling Centre (TEC) - Panjab University, Chandigarh aims to assess R&D needs of industry, promote innovation in technology, and bridge the gap between industry & academia to open avenues for collaborative research/innovation on industry needs. To enable the developed technologies TEC helps in patenting and licensing/commercialization.

So TEC requests you to spare few minutes of your valuable time to share the details of your patents to get these to next level. Click on following link / scan QR code to fill the details. Kindly fill the form multiple times for more than one invention.
