

Dear Sir/Madam,

Greetings from IIT Ropar!

The Research [UTF-8?]Scholarsâ€™ Forum (RSF) of the Electrical Engineering Department (EED) of IIT Ropar is organising its 2nd EE-RSF Research Day on Saturday, 8th April 2023. It aims to showcase various types of research being conducted in the diverse fields in IIT Ropar and other neighbouring colleges and provide students with a platform to exhibit their research. This time we are having four competitions where students can participate:

1. Poster Presentation: Present a poster on your research work.
2. Demonstration: Show a practical demonstration of your research work.
3. Circuit Design Competition: Make a circuit to carry out a specific task.
4. Techcrunch: Propose ideas to solve society-critical problems.

We highly encourage all the students of your college to participate in the above competitions to showcase their research and in-depth knowledge. Prizes worth Rs. 20,000/- would be awarded to the competition winners along with certificates. We also invite faculty members from your university to attend the event and set the tone for future collaborations.

Further details regarding Research Day (schedule and competitions) can be found in the attachments and our website: <https://sites.google.com/view/ee-rsf/home?pli=1> link.

Event attendance is free. Kindly register yourself on this link for attending the event: [Link](#).

In order to register for the competitions kindly fill the form on the registration link before 31st

March 2023: link.

I request you to kindly circulate this invitation to all your faculty members and students. All students (undergraduate, postgraduate, and PhD) can participate. Looking forward eagerly to a large involvement from all the students of your college. In case of any query, you can contact us on our email id: ee.rsf.coord@iitrpr.ac.in
