Sir/Madam,

We take this opportunity to introduce to you: University Institute of Engineering and Technology, Hoshiarpur - a Regional Campus of Prestigious; Five Star accredited Panjab University, Chandigarh. UIET, Hoshiarpur offers B.E. (Bachelor of Engineering) degrees in Electronics & Communication Engineering, Computer Science & Engineering, Mechanical Engineering and Information Technology.

We boast an extremely good infrastructure and highly qualified faculty. Since practical training is equal in importance to theoretical foundations, the course curriculum is so designed that the students get exposure to practical aspects of branch of engineering.

As a part of the curriculum, students must undergo one semester vocational training in an organization. This training is in the 8th Semester. We recommend our student
Roll No. of B.E
in to undergo vocational training in your esteemed organization for one semester (as per Panjab University Academic Calender) beginning from **Jan, 2016**. We would very much appreciate if the student is accommodated for the respective training in your organization.

Our student is sincere and hard working and we are sure that the student would put his/her best efforts during the training period.

Looking forward for a confirmation of the training from your side.

Thanking you in anticipation,

**Yours Sincerely,
Training Officer**
